# FREQUENTLY ASKED QUESTIONS

## Ezyaffiliates

### **1. Q. What is an EzyAffiliate?**

**A.** By opening an Ezyaccount, you also have the opportunity of accessing the free Ezyaffiliate operating program and earning significant commissions by simply referring new members.

### **2. Q. How do I become an Ezyaffiliate and what are the referral commissions?**

**A.** As an Ezyaccount member, you are automatically registered as an EzyAffiliate and entitled to immediately use the free Ezyaffiliate operating program. The Ezyaffiliate program operates on a two-tier referral commission basis. You will receive a 30% Tier 1 referral commission on all membership fees, upgrades and renewals plus an additional 7% Tier 2 referral commission of all subsequent referrals. Of course, you are only entitled to the Tier 2 commission if this is legally permissible in your country of residence.

### **3. Q. How do I receive my referral commissions?**

**A.** The referral commissions are paid instantly into your Ezyaccount as and when your new member joins. For large organizations and merchants etc, the referral commissions can be enormous by simply introducing the Ezyaccount to staff, affiliates, suppliers etc.

**4. Q. How do I refer people as an Ezyaffiliate?**

**A.** You are given access to an extensive on line marketing system including security coded e-mails, banners, brochures and links etc. This material is readily available. After logging in, just click the “Email” tab on the EzyAffiliate overview page.

**5. Q. How will I know if I have a successful referral?**

**A.** After logging in, just review the Ezyaffiliate overview page or click the “Tracking” or “Commission” tabs to view, track and monitor in real time all your referrals and commissions.

**6. Q. What are the “bonus commissions” for large organizations?**

**A.** In addition to referral commissions described above, larger organizations and merchants have the opportunity of negotiating “escrow account” agreements to share in a percentage of the interest earned on these specific Ezyaccount funds.
